

Dear

FREEDOM OF INFORMATION – DENTAL LISTS

I write in response to your request for information in relation to dental list within NHS Lothian.

Question:

- The total number and list of NHS dental surgeries that are currently in your NHS board.
- The number of NHS dental surgeries in your NHS that are currently allowing new adult patients.
- The number of NHS dental surgeries in your NHS that are currently refusing to let adults become a patient.

Answer:

- There are 177 NHS General Dental Practices within Lothian (list attached).
- We are trying to make it easier for people to know which dental practices are currently accepting new NHS patients, and we seek updated information from practices on a monthly basis to inform this list. The accuracy may change at any time if a practice reaches capacity and we can only rely on the responses we receive. This list is published here - <https://services.nhsllothian.scot/dentists/wp-content/uploads/sites/52/2023/12/Practices-Accepting-NHS-Patients-2.2.24.pdf> (nhsllothian.scot)
 - Data collated on 2/2/24 indicates that there are currently 45 NHS General Dental Practices in Lothian accepting adult patients (list attached).

This information is exempt under Section 25 of the Freedom of Information (Scotland) Act 2002 - Information otherwise accessible

(1) Information which the applicant can reasonably obtain other than by requesting it under section 1(1) is exempt information.

- We are unable to confirm how many practices are not accepting adult patients as not every practice responds to the request for information.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the FOI Reviewer at the email address at the head of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: <https://org.nhsllothian.scot/FOI/Pages/default.aspx>

Yours sincerely
