Dear

FREEDOM OF INFORMATION – GP PRACTICES

I write in response to your request for information in relation to GP practices within NHS Lothian.

Question:

- I am contacting you on behalf of tapGPLimited, an online private GP Service. I am currently working on a project for them gathering all GP email addresses in the UK in order to send discharge letters.

Would you be able to provide a list of GP Practices and their email addresses for all the GP Practices in your health board area?

Answer:

A list of GP practices in Lothian is enclosed. Most GPs are independent contractors and will have a practice website with contact details. This information is available on NHS Inform and can be accessed via our website [Patient Registration – General Practitioners \(GPs\) \(nhslothian.scot\)](http://Patient.Registration.General.Practitioners.GPs.nhslothian.scot)

This information is exempt under Section 25 of the Freedom of Information (Scotland) Act 2002 - Information otherwise accessible

(1) Information which the applicant can reasonably obtain other than by requesting it under section 1(1) is exempt information.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.
