Dear

FREEDOM OF INFORMATION – MEDICAL EQUIPMENT

I write in response to your request for information in relation to medical equipment.

Question:

- Under the Freedom of Information (Scotland) Act 2002, I request details of any **defective, unused, or written-off medical equipment** purchased over the last five years, including:
 1. The total value of medical equipment that was found to be defective or unfit for use.
 2. A list of the defective or unused equipment, including:
 - The type of equipment
 - The supplier/manufacturer
 - The cost
 - The reason it was not used or found defective
 3. Any costs associated with storage, maintenance, or disposal of this equipment.

Answer:

Please see enclosed spreadsheet.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.
