Dear

FREEDOM OF INFORMATION – LOCUM GPs

I write in response to your request for information in relation to locum GPs employed in NHS Lothian.

Question:

Please send a list of the current sessional (locum) GPs working in Scotland (or your territorial Health Board).

Answer:

I am advised that NHS Lothian does not hold this information. The health board is required to maintain a list of all medical practitioners who may perform medical services in our health board area. This is a published list, and I have attached a copy here.

This list includes all GPs who are eligible to work in NHS Lothian. GPs hosted by NHS Lothian are those where NHS Lothian maintains the GP record, undertakes their appraisal and is responsible for making recommendations regarding revalidation. GPs are more likely to be doing regular substantive or locum work in their host board area, but as there is a single point of entry to all Scottish health boards on initial application, this may not always be the case. We do not hold a list of GPs who are only undertaking locum work, as this is not part of the performers list.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at <https://www.foi.scot/appeal>. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the reviewer at the address at the top of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: <https://org.nhsllothian.scot/FOI>

Yours sincerely

ALISON MACDONALD
Executive Director of Nursing Midwifery and AHPs
