Dear

FREEDOM OF INFORMATION – MH BEDS

I write in response to your request for information in relation to mental health inpatient beds.

Question:

- How many Mental Health inpatient beds does NHS Lothian have in Edinburgh and the Lothians and what hospitals are they located in?

Answer:

See Sheet 1 in attached Excel File which details the wards, ward specialty, location and current number of beds.

Question:

- How many referrals were made for people to access mental health services in Edinburgh and the Lothians each day from 01/05/2024 to 01/05/2025?

Answer:

"Referrals" or requests for a bed are not currently recorded in our electronic system for most wards. We are able to report on the number of admissions and transfers into wards. This is detailed, by day, from 1st April 2024 to 31st March 2025 in sheet 2, table 1, of the attached excel spread sheet.

Question:

- How many of the Mental Health inpatient beds were taken versus how many referrals were made per day from 01/05/2024 to 01/05/2025?

Answer:

Table 2, in sheet 2 of the attached excel spread sheet details the number of beds available and number of occupied beds by day from 1st April 2024 to 31st March 2025.

To protect the identity of the individuals involved any figure of 5 or less has not been shown in the enclosed table. Since we do not have their consent to release this data from their records, the information is exempt under section 38(1)(b) of the Freedom of Information (Scotland) Act

Chair Professor John Connaghan CBE
Chief Executive Professor Caroline Hiscox
*Lothian NHS Board is the common
name of Lothian Health Board*

i.e. to provide it would breach the Data Protection Act (2018). *For the same reason combined figures have not been provided.

Question:

- What is the daily availability for beds versus how many referrals were made to fill these beds from 01/05/2024 to 01/05/2025?

Answer:

We are unable to report that information. Table 2 in sheet 2 in the attached excel spread sheet details the difference between available beds and occupied beds by day from 1st April 2024 to 31st March 2025.

Question:

- Lastly, is it true that a new patient can only be admitted once an existing patient has been discharged?

Answer:

A patient can only be admitted when there is an available and appropriate bed for them. This is based on their assessed need at the time an admission is requested and agreed between community and inpatient staff.

Notes on the data:

1. The data reported is from an existing data set which details the admissions, available beds and occupied beds from the 1st April 2024 to 31st March 2025.
2. The bed numbers reported in sheet 1 are the current bed numbers on 31st March 2025. The number of available beds over the period, 1st April 2024 to 31st March 2025, may have varied.
3. The Child and Adolescent Mental Health inpatient unit based at the Hospital for Sick Children detailed in sheet 1 is not included in the data reported in sheet 2.
4. The number of beds available is based on the official number of funded beds recorded in our electronic information system. It does not include additional "contingency beds" which may have been opened at times of high demand.
5. The reporting of the admissions, available beds, occupied beds in an aggregated manner does, to some extent, hide the high demand in some areas. This should be considered when looking at the overall figures by day.

I hope the information provided helps with your request. I am sorry I cannot help with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information

Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the FOI Reviewer at the email address at the head of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: <https://org.nhslothian.scot/FOI/Pages/default.aspx>

Yours sincerely

ALISON MACDONALD
Executive Director, Nursing
Cc: Chief Executive
