Dear

## FREEDOM OF INFORMATION - ASYLUM SEEKERS/REFUGEES

I write in response to your request for information in relation to asylum seekers/refugees.

### Question:

- The Lothians NHS board are responsible for the provision of healthcare, including mental health and psychiatry services, to asylum seekers/refugees, who are housed within temporary accommodation, generally known as 'Contingency accommodation'.

Please provide the expected and actual wait times for an asylum seeker, or refugee within such temporary accommodation, specifically for a ADHD Assessment, within the board area.

I would be satisfied with a general answer, such as the range of wait times(shortest to longest) as opposed to specific accommodation, however I ask that you provide the data for the last 3 years.

### Answer:

This information is not held in a centrally extractable format and it would require us to look through individual patient records.

Under the Freedom of Information Act NHS Lothian is not required to create new records to enable it to respond to your enquiry. This information is not collated or held in aggregate form and it would be necessary to review all case files relating to patients over the period you have requested to assemble the information you seek. Even if NHS Lothian did this – and there would be significant cost implications in doing so – it would be unable to respond in full to your request. The information requested is therefore exempt under section 12.1 – Cost.

I am sorry I cannot help with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply

within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at [www.itspublicknowledge.info/Appeal](http://www.itspublicknowledge.info/Appeal). If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the FOI Reviewer at the email address at the head of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: <https://org.nhsllothian.scot/FOI/Pages/default.aspx>

Yours sincerely
