Question:

1. A complete list of all GP practices currently operating under NHS Lothian.
2. For each practice, please include the name, address, and the electronic patient record (EPR) system currently in use (e.g. EMIS PCS, Vision (INPS), or any other).

Answer:

Please see enclosed spreadsheet.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt.
