Dear

FREEDOM OF INFORMATION – FLEET VEHICLES

I write in response to your request for information in relation to fleet vehicles.

Question:

- I'm writing to request some information under the Freedom of Information (Scotland) Act 2002 regarding the vehicles currently in use by Lothian NHS Scotland, For each vehicle, please provide the following information:
 - Vehicle Make/model and body colour
 - Date of first registration with the DVLA (in format DD/MM/YYYY)
 - Date of the next MOT in format DD/MM/YYYY (where applicable - I am aware that vehicles under three years old are exempt from MOT testing)

Answer:

See enclosed spreadsheet. We do not have vehicle colour and date of registration as they are all lease vehicles and we do not hold this. As per Section 17 of the Freedom of Information (Scotland) Act 2002 formally I must advise that we do not hold this information.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.
