Dear

FREEDOM OF INFORMATION – EATING DISORDERS

I write in response to your request for information in relation to Eating Disorders.

Question:

1. The number of hospital admissions with the primary reason for admission being an Eating Disorder (including Anorexia Nervosa, Bulimia Nervosa and EDNOS).
2. Data showing the specific periods of the year in which eating disorder admissions peak (i.e a month by month breakdown of admission numbers).

Answer:

Please see enclosed spreadsheet.

To protect the identity of the individuals involved any figure of 5 or less has not been shown in the table above. Since we do not have their consent to release this data from their records, the information is exempt under section 38(1)(b) of the Freedom of Information (Scotland) Act i.e. to provide it would breach the Data Protection Act (2018).

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.
