Dear

## **FREEDOM OF INFORMATION – DIALYSIS AWAY FROM BASE**

I write in response to your request for information in relation to dialysis away from base.

### **Question:**

1. Does your health board place a restriction upon the number of dialysis away from base (DAFB) sessions it will cover the cost of within a calendar year within the UK ?

If YES: If there are any restrictions in place, please list what these are.

### **Answer:**

I am advised that we cap the sessions financially at £3,000 per patient per year - this only restricts out of areas sessions where we have to pay for the sessions as many sessions are covered by European Health Insurance Card.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt.
