Dear

## FREEDOM OF INFORMATION – PRIMARY CARE REBATE SCHEMES

I write in response to your request for information in relation to primary care rebate schemes.

Question:

- Could you please let me know which active primary care rebate schemes your organisation are currently signed up to?

Could you please provide the start and end dates of the contracts.

Answer:

Primary care rebate schemes are administered nationally for Scotland by NHS National Services Scotland (NHS NSS).

The attached document lists the schemes currently active in Scotland which are all available to all boards including NHS Lothian if we use the drugs in question. No rebates are exclusive to NHS Lothian. This list also shows the dates the schemes were initiated and when they end plus detail of changes.

Further revisions will be available on the NSS website. Queries can be directed to the National Procurement Pharmacy Team at [nss.pchc@nhs.scot](mailto:nss.pchc@nhs.scot)

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at

[www.itspublicknowledge.info/Appeal](http://www.itspublicknowledge.info/Appeal). If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the FOI Reviewer at the email address at the head of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: <https://org.nhslothian.scot/FOI/Pages/default.aspx>

Yours sincerely

# NHS Scotland - Primary Care Rebate Schemes Register

The register contains a list of all current primary care rebate schemes (PCRS) outside of the Patient Access Scheme arrangements.

For the stand-alone scheme type: refer to pricing register tab for details of the discount arrangement(s) which **should be treated as commercial-in-confidence information and not shared outwith the NHS**. Medicines currently covered by this scheme type are typically prescribed in primary care. Please see guidance notes for further information on particular schemes.

For schemes designed to achieve price parity with secondary care contract pricing, please refer to the relevant NP Framework implementation pack (Buyer Guide). Medicines currently covered by this scheme type are typically prescribed in secondary care, and prices can be obtained from PCM.

A list of Patient Access Schemes which apply in the primary care setting can be found in the PAS register.

Queries can be directed to the National Procurement Pharmacy Team at [nss.pchc@nhs.scot](mailto:nss.pchc@nhs.scot)
