Dear

FREEDOM OF INFORMATION – PHARMACY CLOSURE

I write in response to your request for information in relation to pharmacy closures.

Question:

- I am writing to make a Freedom of Information request to ask for the information your Health Board has recorded in regards to community pharmacy closures. I am looking for information reported and recorded about all closures from Wednesday 01st January 2025 to Wednesday 31st December 2025 inclusive.

The precise information I am requesting is,

- Contractor Code
- Name, address, and postcode of pharmacy
- Date of closure
- The precise times of closure, and if more than one closure occurred in one day, please report each closure as separate
- Any reason given for the closure by the contractor, and if none was given recorded please answer n/a or none.
- I am also looking for both types of closures, those which appear to have been unplanned, and those which were agreed in advance by your health board. If the closure was agreed to and planned in advance can you please state 'agreed' or 'planned' under 'reason for closure', if it was unplanned please give the reason stated by the contractor, if none was given or recorded please state n/a or none.

Answer:

Please see enclosed spreadsheet.
