Dear

## ENVIRONMENTAL INFORMATION – EV CHARGERS

I write in response to your request for information in relation to EV chargers.

### Question:

- I am making a request of information held by you of any complaints, maintenance and inspection records relating to the electrical charging points at East Lothian Community Hospital, Alderston Road, Haddington, EH41 3PF.

### Answer:

I am advised that EV Chargers warranty, service contract and annual inspection is through a subsidiary company, E-Volt/Swarco, NHS Lothian therefore do not hold any documents relating to this. Under Regulation 10(4)(a) I must advise you that we do not hold this information

I am sorry I cannot help with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at [www.itspublicknowledge.info/Appeal](http://www.itspublicknowledge.info/Appeal). If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the FOI Reviewer at the email address at the head of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.
