Dear

FREEDOM OF INFORMATION – ASEPTICALLY PREPARED MEDICINES

I write in response to your request for information in relation to aseptically prepared medicines.

Question:

Please provide information for NHS Lothian on expenditure on aseptically prepared medicines sourced from the suppliers listed below, broken down by month and supplier, for the financial years specified.

1. Suppliers in scope

Please include spend with the following suppliers, including any relevant trading-name, abbreviated-name, group-company or supplier-master variants used in your finance, pharmacy, procurement, homecare or accounts payable systems:

- Quantum Pharmaceutical / Quantum Aseptics / Quantum Pharmaceutical Limited
- Baxter Healthcare / Baxter Healthcare Limited
- ITH Pharma / ITH Pharma Limited
- Bath ASU / Pharmaxo / Qualasept Limited trading as Bath ASU
- Fresenius Kabi / Fresenius Kabi Limited
- B. Braun / BBraun / B. Braun Medical Limited
- Lloyds Pharmacy Clinical Homecare / Lloyds Clinical / Lloyds Clinical Homecare

If spend is recorded under a related trading name, historic name, parent company, group entity, supplier code or homecare-provider account but relates to one of the suppliers above, please include it and state the mapping used.

2. Products and services in scope

For this request, “aseptically prepared medicines” means medicines supplied ready for administration that have been aseptically compounded or prepared by the supplier for the Board, whether patient-specific, batch-made, dose-banded or otherwise prepared aseptically.

Please include, where applicable:

- chemotherapy / SACT preparations;
- monoclonal antibodies and other biologics prepared aseptically;
- parenteral nutrition / TPN;
- CIVAS / ready-to-administer injectable medicines;
- antibiotic, antiviral, analgesic, PCA, palliative care or other infusion preparations;

- aseptically prepared medicines supplied via homecare arrangements;
- any other outsourced aseptically compounded injectable medicines.

Please exclude spend that does not relate to aseptically prepared medicines, including standard licensed medicines supplied as ordinary stock, medical devices, consumables, pumps, giving sets, enteral nutrition, non-aseptic products, and general homecare delivery, dispensing, nursing or support fees, unless those costs are inseparable from the aseptic medicine supply in your records.

If your systems cannot fully isolate aseptically prepared medicine spend from wider supplier or homecare-provider spend, please provide the closest available measure and explain what is included and excluded.

3. Time periods

Please provide the data by calendar month for the following financial years:

- FY2023/24: 1 April 2023 to 31 March 2024
- FY2024/25: 1 April 2024 to 31 March 2025
- FY2025/26: 1 April 2025 to 31 March 2026

If your Board uses different shorthand labels such as FY24, FY25 or FY26, please use the date ranges above.

4. Requested output format

Please provide the response in Excel, CSV or another machine-readable spreadsheet format, with one row per month and supplier.

Please include the following fields where held:

Field	Description
NHS Board	Name of responding Board
Financial year	FY2023/24, FY2024/25 or FY2025/26
Month	Month of invoice/accounting period, preferably YYYY-MM
Supplier name as recorded	Supplier name in source system
Supplier group used for this request	One of: Quantum Pharmaceutical, Baxter Healthcare, ITH Pharma, Bath ASU, Fresenius Kabi, B. Braun, Lloyds Clinical
Spend excluding VAT	£ value, net of VAT where available
Spend including VAT	£ value, if only gross spend is held or readily available
Basis of spend	Invoice date, payment date, accounting period, purchase order date, homecare recharge date, or other
Product/service category	If readily held, e.g. SACT, PN/TPN, CIVAS, monoclonal antibody, other aseptic, homecare aseptic

Notes	Any caveats, exclusions, supplier-name mappings or coding issues
-------	--

Please include zero values where a supplier was in scope but no spend was recorded for a month, if this can be done without disproportionate effort.

Answer:

Please find enclosed spreadsheet with the data that we are able to provide. Please note in the response, however, that it is not possible to group the product/service category as requested, as this data is not readily available digitally. Grouping under this category has been classified as Homecare or Hospital Supply.

Question:

5. Accounting basis and caveats

Please state:

1. whether the figures are net or gross of VAT;
2. whether credit notes, rebates, retrospective adjustments or recharges are included;
3. whether the figures are based on invoice date, payment date, accounting period, purchase order date, homecare recharge date or another basis;
4. whether the figures include direct purchases only, or also purchases made through shared procurement, regional procurement, framework arrangements, homecare arrangements, recharges or centrally managed arrangements where the Board ultimately incurred the cost;
5. whether any relevant spend is held by another body, such as National Procurement, NHS National Services Scotland, Public Services Delivery Scotland, a regional procurement hub, another NHS Board, or a homecare management service.

Answer:

1.	Both have been included
2.	the expenditure is based on the invoice passed cost, however, this extract does not include credits, rebates, or adjustments that may have occurred after initial invoice was fully processed. It is not inclusive of any stock returned to supplier
3.	for hospital supply, this is based upon the date of goods receipt (the date we booked the stock into our pharmacy system). For homecare supply, this is based upon the date the invoice was passed. Homecare and hospital supply have been defined under "Product/service category".
4.	For hospital supply, these are direct purchases, some of which fall under framework arrangements. For homecare supply, these purchases were made under homecare arrangements, some of which also fall under framework arrangements.
5.	No

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will
