

Dear

FREEDOM OF INFORMATION – WALK IN GP PRACTICE

I write in response to your request for information in relation to NHS Lothian's Walk in GP Practice.

Question:

1. Please provide me with a breakdown of how many patients came into the walk in centre in your board area and registered as a 'case' each day since the centre opened.
2. Please confirm if there have been any days, since the centre opened, where no patients have come in and how many days this has happened.

Answer:

The information you have requested is detailed in the table below. I have not released numbers of 5 or fewer in the table, as this information could lead to the identification of the individuals involved. Since we do not have their consent to release their personal data, the information is exempt under section 38 of the Freedom of Information (Scotland) Act 2002 as to provide it would breach the principles of the Data Protection Act 2018.

There have not been any days since opening where no patients have attended.
