Dear

## FREEDOM OF INFORMATION – COMPLAINTS

I write in response to your request for information in relation to complaints.

### Question:

- I already have NHS Lothian's published Feedback / Complaints annual reports. I am asking for the specialty split those reports do not publish. For each of 2021/22, 2022/23, 2023/24, 2024/25 and 2025/26 (to date):
  - Number of complaints received that you code to mental health services, CAMHS, and psychological therapies (three rows, or your actual specialty codes — please list the codes).
  - Of those closed in each year: number upheld, partially upheld, and not upheld, by the same service split, and by Stage 1 / Stage 2 if held.
  - Number of SPSO decisions in those years that you record as relating to those services, and how many were upheld or partially upheld, if you hold that.

### Answer:

Please see enclosed spreadsheet.

The information has been extracted from the Patient Experience complaints module within Datix and includes the relevant mental health, CAMHS and psychological therapies specialty codes held within the system.

| 3. | we have provided the number of SPSO cases recorded within Datix relating to the relevant services. SPSO outcomes are not held within a reportable field in Datix and would require individual review of the records to identify." |
