Dear

FREEDOM OF INFORMATION – WINTER PLAN

I write in response to your request for information in relation to NHS Lothian's winter plan.

Question:

1. Please provide me with your evaluation of your ICB's winter plan for 2025-2026
2. Please provide the winter plan for 2026-2027.

Answer:

Integrated Care Boards (ICBs) are NHS organisations in England, but are not part of the NHS structure in Scotland.

NHS Lothian has not evaluated any winter plan for 2025-26 and there is no separate winter plan for 2026-27. Winter planning is part of business continuity and resilience planning throughout the year.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at <https://www.foi.scot/appeal>. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the reviewer at the address at the top of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: <https://org.nhsllothian.scot/FOI>

Yours sincerely
