Dear

FREEDOM OF INFORMATION – INTERSTITIAL LUNG DISEASES

I write in response to your request for information in relation to interstitial lung diseases.

Question:

- Please find below a freedom of information request relating to clinical guidelines for the treatment of interstitial lung diseases (ILD). This request is in follow up to a previous related request submitted in April 2023 and has been prompted by recent developments in the treatments of these conditions.

Answer:

Has NHS Lothian published or updated any local treatment guidelines, pathways or protocols for the treatment of the interstitial lung diseases (ILD), idiopathic pulmonary fibrosis (IPF) and progressive pulmonary fibrosis (PPF) since April 2023?	No
	If Yes, please provide a copy. **Not applicable**

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at www.itspublicknowledge.info/Appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the FOI Reviewer at the email address at the head of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: https://org.nhslothian.scot/FOI/Pages/default.aspx

Yours sincerely

ALISON MACDONALD
Executive Director, Nursing
Cc: Chief Executive
