Dear

FREEDOM OF INFORMATION – AGENDA FOR CHANGE JOBS

I write in response to your request for information in relation to agenda for change jobs in NHS Lothian.

Question:

For the most recent date at which the following information is available please provide:

1. List of titles of each occupation/job currently employed within Health Board on Agenda for Change Terms and Conditions

2. For each occupation/job the total number of posts employed. For each occupation/job which Agenda for Change grade/s these posts are employed on

Answer:

The information you have requested is detailed in the attached spreadsheet. I have not released numbers of 5 or fewer in the spreadsheet, as this information could lead to the identification of the individuals involved. Since we do not have their consent to release their personal data, the information is exempt under section 38 of the Freedom of Information (Scotland) Act 2002 as to provide it would breach the principles of the Data Protection Act 2018.

I hope the information provided helps with your request.

If you are unhappy with our response to your request, you do have the right to request us to review it. Your request should be made within 40 working days of receipt of this letter, and we will reply within 20 working days of receipt. If our decision is unchanged following a review and you remain dissatisfied with this, you then have the right to make a formal complaint to the Scottish Information Commissioner within 6 months of receipt of our review response. You can do this by using the Scottish Information Commissioner's Office online appeals service at https://www.foi.scot/appeal. If you remain dissatisfied with the Commissioner's response you then have the option to appeal to the Court of Session on a point of law.

If you require a review of our decision to be carried out, please write to the reviewer at the address at the top of this letter. The review will be undertaken by a Reviewer who was not involved in the original decision-making process.

FOI responses (subject to redaction of personal information) may appear on NHS Lothian's Freedom of Information website at: https://org.nhslothian.scot/FOI

Yours sincerely

ALISON MACDONALD
Executive Director of Nursing Midwifery and AHPs
Cc: Chief Executive

Notes:
NHS Lothian does not hold a standardised "occupation/job" hierarchy for Agenda for Change staff that can be consistently reported across the organisation. Therefore, the information has been provided using the nationally coded Job Family and Post Descriptor classifications. The table shows the number of employees in each Agenda for Change Post Descriptor as at Oct 2026.
Employees with multiple contracted posts are counted more than once and figures should be interpreted as posts/assignments rather than unique employees.
Post Descriptor data may be subject to coding inconsistencies and should therefore be interpreted with caution. For example, a large proportion of staff within Administrative Services are coded to "Office Services".
To protect confidentiality, values fewer than 5 have been suppressed and are shown as "<5".
Excludes Staff Bank.
